THANKS TO ALL FOR FREEDOM TREE SUPPORT

Even in the year of COVID-19, residents and TCCU members generously donated to TCCU's 6th annual 'Freedom Tree' food drive. "Every year, we are amazed by peoples' generosity," says TCCU President, Will Perkins. "This year's donations were especially gratifying, considering how many people and families have been affected by COVID-19."

"In addition to the boxed and canned food items, nearly \$2,000 in cash donations were dropped off. This money will be used by local food pantries to purchase additional items to aid those in need."

Thanks again to everyone for your generous support!

Let's face it, 2020 has been a dumpster fire! While we all can't wait to put this year behind us, we all need to work together to make the best of a difficult situation. I encourage everyone to show kindness and respect to one another. With the upcoming election, it is easy to pick a side, and not want to listen to anyone with an opposing viewpoint. Part of what makes this country so great, is that we are all

different. It is ok to disagree with someone, but we cannot move forward unless we are willing to listen to each other. Remember the credit union philosophy, 'People Helping People.' We are all in this together, so let's work together and get through this trying time.

Recently, I volunteered with the Taylorville Kiwanis Club to take donations for youth in our community. I was amazed at how many people donated, especially given these difficult times. Several people even increased their donations when told of what we were raising funds for. Thanks to these donations, the Kiwanis Club is going to be able to help a large number of youth in the community. There are a number of excellent charitable organizations out there helping make a difference. 'People Helping People' can become contagious if we all work together.

Another example of 'People Helping People' is our local food pantries. The need for donations is higher than ever. The credit union and many other local entities have held food drives and submitted donations to the food pantries to help those in need. Your donations are making a difference. Keep up the great work!

If we put our differences aside and work together, we can make a positive difference in our local communities and in the world.

Sincerely,
Will Perkins, President

LETTER FROM THE PRESIDENT

TRAVEL SAFELY THIS HOLIDAY SEASON

With the holidays fast approaching, some people are feeling the urge to get out of the house. Let's all remember that COVID-19 is still with us. So -- if you must travel this holiday season -- we encourage you to take along a couple of safety measures:

- **A TCCU VISA Card:** It's easy to use, convenient, and packs even in the smallest spaces. AND -- chip technology helps protect you from fraud. Use it -- and trust it -- in any season.
- **Facial Mask:** one of the best methods to protect you and your family. And with so many colors and styles available, it's easy to find one that's 'just right.'
- **Hand Sanitizer:** take along small, portable bottles in the car for quick 'freshening' and enhanced protection.
- **Common Sense:** Let's all do our part to minimize / control the coronavirus, so we can all 'get back to normal.'

That would be the best holiday gift ever!

CREDIT UNION EVENTS AFFECTED BY COVID-19

Like so many other things in our lives these days, TCCU will markedly revise our traditional event celebrations.

The credit union has traditionally held celebrations on Credit Union Day. While these celebrations will be more subdued this year, we will still be celebrating what it means to be a credit union member. **All facilities will be doing prize giveaways in honor of Credit Union Day on Thursday, October 15th.**

Our annual **Holiday Open Houses will be held in December**. These events will have to be modified due to COVID. Please check our website for more details as they become available.

The health and safety of our members – as well as our staff – is foremost in our minds as we take these measures. You – our members – are the reason TCCU exists.

We are disappointed we cannot celebrate with you as we normally do, but always remember that you, and your financial needs, are what keep us going. And we do our best to keep you going.

Please periodically visit our web site

for any late-breaking updates for future events.
